Stair Bracket

Member Rating: 8.5 **Best Feature: Design**

GOPRO CONSTRUCTION SOLUTIONS LLC, 877-577-4142, WWW.GOPROCONSTRUCTION.COM

Designed to make building sturdy stairs easier and faster, the Universal Stair Bracket (\$4.99 a bracket) accommodates any staircase pitch and is made of galvanized 16-gauge hot-dipped steel that won't rust, so it can be used indoors or outdoors. Each bracket features a built-in run/rise measurement gauge, ensuring accurate installation by any DIYer.

Dean Rohs, Florence, KY: "The Universal Stair Bracket takes all the complex calculations out of laying out stair stringers."

Brent Curnow, Aurora, CO: "With these brackets, I was able to build stairs in a third of the time it would normally take."
